FOREWORD

1331 Cecil Avenue is more than just an address. It is our school. Within its walls and across its "quad," many varied experiences have been shared by our students and the staff.

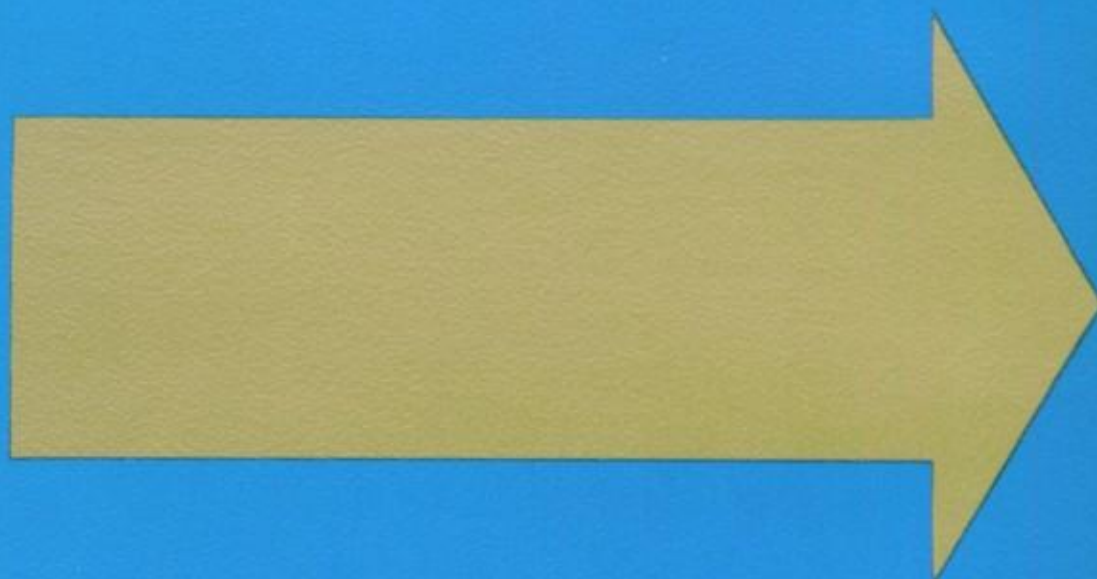

In the hearts of those who have shared the enlightenment of classroom activity, the fellowship of sports, and the gaiety and laughter of social activities, the memory will never perish.

Superintendent Frank Dyer
Delano Joint Union High School
1331 Cecil Avenue
Delano, California

Dear Mr. Dyer:

This 1964 Del-Año honors you, sir!

Your teachers and your students hold you in high regard. We like you as a person, for you are quick of wit, articulate, personable, and humanly warm and understanding.

We admire you for many qualities, all of which make you a strong leader for our school--your intelligence, your interest in all facets of our activities and our learning, your high standards of professional and personal excellence, your dedication to the job of making and keeping Delano High School second to none.

When a visitor comes to our school and expresses a wish to be taken to our leader, we do so with alacrity and great pride. We regret that your job as our superintendent is turning your hair gray much too soon, but every gray hair is, in a way, a badge of honor and a symbol of the sincerity and success with which you meet your responsibilities.

This 1964 Del-Año honors you, sir. Your students and staff, for whom I am the fortunate spokesman, affectionately bestow an honor richly deserved.

Sincerely yours,

Mary Salber

MR. JACK PHILLIPS

Board of Trustees

The Board of Trustees of the Delano Joint Union High School District, as the elected representatives of the people of the district, have continued to attempt to provide for all the students of our school the highest quality education consistent with sound fiscal policies. We are proud of our school, the fine staff, and of the students who have taken advantage of the opportunities offered to prepare themselves better for the years ahead.

Lido Sandrini

MR. MARION SMITH

Superintendent's Message

In 1958 Delano High School earned a maximum five-year accreditation for its program of quality education. During this final year of that accreditation, the students and staff of our high school joined again in an examination of our education program. We turned on the spotlight of self-appraisal. An excellent visiting committee from the Western Association of Schools and Colleges helped us in this study.

We found our high school's community was continuing to provide solid support for quality education through the actions of their elected representatives, the members of the Governing Board. During the year they authorized such projects as the completion and furnishing of an additional homemaking classroom, the addition of refrigerated air cooling for the music building, the completion of an additional phase of campus landscaping and the purchase of additional lockers, classroom furniture and cafeteria furniture required for an expanding student body.

We found our fine and growing teaching staff has made excellent use of an improving school plant to provide high quality education for an active student body. Our educational program is designed to provide solid basic education for all; continued progress in keeping our mathematics courses up-to-date and the study by the English department of ways of improving every students' reading skills exemplify action in this area. Our program also aims to provide students an opportunity to realize and develop special talents; notable successes in student drama productions and fine musical productions by choir and band

demonstrate this aspect of a program of quality education.

We found our students convinced that they were attending a good school with a fine staff. Our students were participating actively in the large number and wide variety of co-curricular activities. These range from athletics where the Tiger Spirit was consistently demonstrated, to academic honor societies where pride in academic achievement was honored and developed.

Our year of appraisal has helped us plan a blueprint for our future growth and continued improvement. We look forward with confidence to the years ahead.

Frank E. Dyer

MR. V. L. LEFEBVRE, Principal.

Administrators

Dear Student:

It is always gratifying to observe the physical and academic growth of young Americans. It is my desire that each of you will grow stronger physically, mentally, and morally, because if those traits are firmly nurtured, then our nation can be assured of a good citizenry. May your endeavors be successful in school, as community leaders, and as the citizens of tomorrow.

Sincerely yours,

V. L. Lefebvre

The Delano Tiger Band performed at many parades as well as entertaining the spectators at the games.

Underclassmen are busy all year with school activities as well as classes. Parades and car washes occupied their time as well as class meetings and regular class work.

The homemaking classes always come up with the best in food preparations.

Sarah and Linda listen to one of Mr. Butts' prize lectures.

A car wash is one way clubs raise money.

Mr. Stone addresses a class meeting.

Sadie Reigns Over Homecoming

HOMECOMING QUEEN

Sadie Yonaki

The night was chilly and damp but for the girls pictured above it was one of excitement and joy as they reigned over this year's homecoming activities.

Queens

Homecoming Queen Sadie Yonaki and her escort Roger Lewis, football captain. Sadie was crowned Homecoming Queen at the Tulare - Delano game. She ruled over the Homecoming parade, game, and dance.

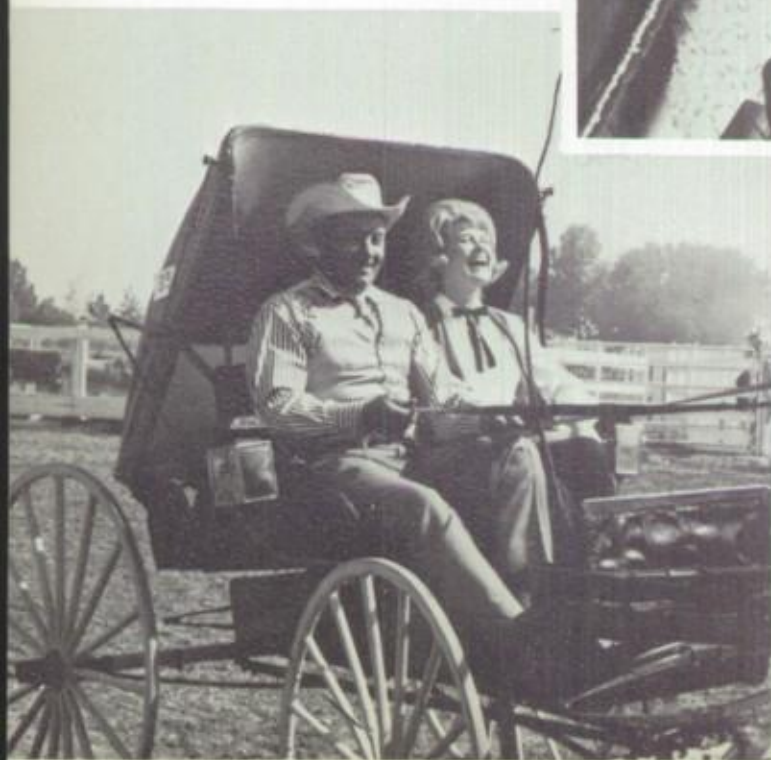

Above on the Harvest Holidays Queen float is Queen Cathy Parsons and her attendants. Sadie Yonaki and Sandra Goertzen, seniors, were attendants. Sadie was first runner-up.

Reign

Cathy Parsons receives a \$100 check at the Queen's Bar-B-Que from Jim Lake, president of Harvest Holidays.

Meet Queen Cathy

Cathy Parsons, senior, reigned over the 1963 Harvest Holidays Festival. We, the student body and the faculty, are very proud of our own Queen Cathy.

ATHLETICS

RAY FREDERICK Sports' Mentor

Ray Frederick, veteran Delano High teacher, coach, and athletic director looks over the long schedule of 1963-64 athletic events. In addition to his assignments as athletic director and coach, Mr. Frederick teaches classes in both World and U.S. History.

In a typical hands-behind-the-back conversational pose, Mr. Frederick discusses a point with athletic trainer and equipment manager Gus Metz (arms akimbo).

As the man responsible for maintaining the multiple schedules of Delano's heavy athletic program, Mr. Frederick must see to the many details involved.

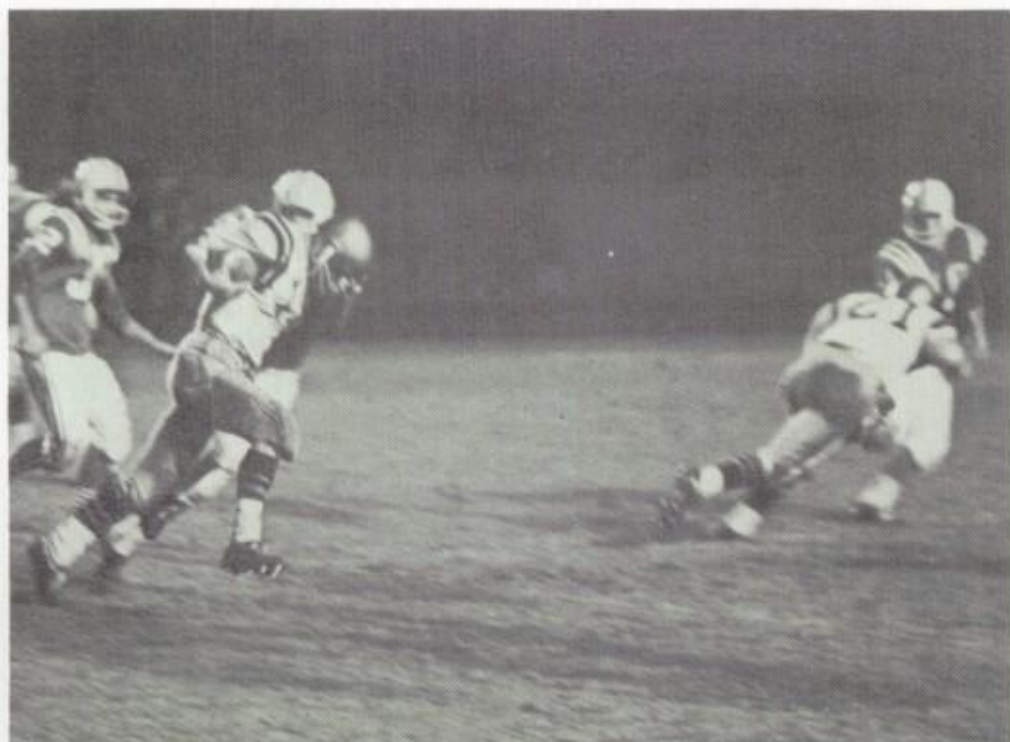

Game captain Jerry Whitten, senior left half, meets his Redwood counterpart, Tom Eckert, senior center of the Rangers, as the referee prepares to toss the coin in pre-game ceremony.

Clutching the ubiquitous clipboard, head coach Gene Beck flanked by assistant coaches Nolan Schaffer (football in hand) and Dave Kelley pause during a lull in the action.

Victory and Sportsmanship

During Delano's 14-0 romp of Fresno's Central Union Grizzlies, Delano Fullback Fernando Del Rio charges for a long gain as George Walker mows down a would-be tackler.

Autographs

To both of the
Goldmans,
Since I've had both of you
this year, I feel that I know you
pretty well. It really has been
interesting having husband and wife
for teachers. I do feel that I have
learned much about two different
languages.
Best wishes to you both,
Janice
Hannagan

Mr. and Mrs. Goldman,
I hope I spell and
punctuate correctly.
My English and French
will be forever better.
Chris
Akens

Mr. and Mrs. Goldman,
I've never had both
husband and wife for
teachers before, and I must
say it has been interesting.
I've learned a lot.
Always,
Carolyn Knight

Mrs. Goldman,
I've truly enjoyed being
in your English class this year.
Always, Jane Knott
